World Constitutions, World Law, World History, World History. World Constitutions Here are the world's most respected, inspiring documents that explain and protect the rights and freedoms of people all over the world. The table below lists the constitutions of all the countries in the world, by alpha-numerical order, as well as the

As many of you know, I am taking a break from teaching and doing public service full time to study and write a book on the world constitutions. I would very much appreciate it if you could check it out and leave a review on Amazon and pinterest. it really helps. This will be an english language book with some substantial amount of research. The target is to publish the book in the next three years. Any interest in getting a copy should reach me on the email address below. I will provide it free of cost to the first 40 people to send me a request and a copy of the book. I am not sure of how many are interested. If you are interested please send me a request and I will get back to you. You will recieve a complimentary ebook copy along with your hard copy of the book. World Constitutions By S.L.
