thanks oh hi. too late. tomreyn, it's
ok :) i think 'm too lazy for that ;)
hi. can anyone here help me with

my problem i'm facing? not me.
no idea, but probably not the
topic. can i pm you with my
problem? yes, but ask on the
channel first, you'll get more
responses. ok. then i'll just write a
small paragraph on what i have.
tomreyn, my laptop has built in
microphone for the webcam and
now that's gone. i tried using vlc
and it doesn't work but i tried the
rest and that didn't work. i tried
this: colbyubuntu: have you
considered to share what your
hardware is? tomreyn, um no i

haven't i just installed ubuntu mate
19.04 a couple days ago.
colbyubuntu: this is interesting ok.
so i did that but vlc is still not
working. so that didn't work did
you mean vlm? vlm yea i meant
vlm but i can't use vlm and vlc ok,
well, then it probably won't work.
do you have another
