Can you try passing the test with a shorter study period then to see if you would have a better score or not? . Sep 16, 2017 I need some help in the NBME topics. I have studied for over 2 months on the cbse and have also taken a nbme. Sep 26, 2019 i got a cbse 10 weeks ago, and i've scored 161. the cbse questions are really similar to the nbme, except that the nbme has questions which are probably more difficult than the cbse ones. It's mainly just the way the questions are written. The cbse seems to be more clinical while the nbme is more basic. Apr 16, 2019 Can someone please share their thoughts on the CBE and NBE? The cbse is a weird test. I mean i did it twice, and scored the same 161 both times, which is great, but the second time I did the cbse in one sitting. I never studied for it, and I took the test off of my last test. Jun 22, 2019 I did the Cbse 8 weeks out. It was very difficult, but I remember most of it. I scored 166 and remember most of it. Dec 19, 2019 Last week I took the Cbse and it was completely new material and I scored the equivalent of around 170 Sep 9, 2019 Anyone else experience the CBSE has almost the exact same questions as the NBME? Sep 19, 2019 I'm gonna take the Cbse in 3 weeks. I'm expecting 170/168. Can you guys recommend some study material? Nov 26, 2019 Hi, all, I'm about to take the cbse in 3 weeks. I scored 157 in my last nbme and I want to be able to score 170+ on the cbse. So I need a study guide/cheatsheet. I'm aware this is a generalized question so I'm looking for any sort of help. Mar 13, 2019 I'm about to take the Cbse 8 weeks out. The last time I took it I got 170. I just need to study for a week. I have no clue where to begin. I've read up on CBE and did a good amount of memorizing of terminology and formulas. It's the questions that I'm clueless about. 2d92ce491b
