About the Author: M Subbu M Subbu is an Indian film actor and a model known for his work in Kannada and Telugu cinema. He made his film debut in the Kannada movie Race Gurram (2001), and later appeared in the Telugu movie Prema Katha (2002). The following year, he appeared in the Tamil language movie, Kannada film Sridhar (2003).\]. In our case, the patient was unable to verbalize the pain, but palpation of the mass showed a pleasant deep-pinkish-blue color. The mass was not fixed and was easily movable in all directions. This demonstrated soft tissue lesion which was gradually increasing in size. The patient was managed conservatively and the mass showed reduction in size. The lesion was noted to be excised with a small rim of surrounding skin \[Figure 3\](#F3){ref-type="fig"}\]. The patient was discharged from the hospital after an uneventful postoperative period. ![A 26-year-old male patient presented with a rapidly growing mass in the left hip. An ultrasound scan showed a well-defined, solid, hypoechoic lesion in the soft tissues of the left hip. A computed tomography scan of the left hip showed a large heterogeneous mass measuring about 2.4 × 1.8 × 2.2 cm](JOrtho-46-13-g003){#F1} ![MRI revealed a large heterogeneous mass (arrow) arising from the left iliac bone](JOrtho-46-13-g004){#F2} ![A well-defined, exophytic lesion was excised with a small rim of surrounding skin](JOrtho-46-13-g005){#F3} DISCUSSION {#sec1-3} ===== \*Calpurnia aurea\* is a subtropical tree belonging to the Leguminosae family and is native to the Southern region of India.
