It incorporates observations about the beauty and sacredness of the divine, contemplating the corruptible and impermanent nature of the gods and the simplicity of their divinity, as well as the dangers of the hollow cult of gods and heroes. The piece is anonymous, but many critics have associated it with the oracular poetry of Eupolis, Nikarchus, or Cratinus.Q: Select distinct values from multiple columns in Oracle Having a table as I need distinct values from only all columns required.
